My dear friends in Christ,

On behalf of my brothers in Holy Cross, I wish for you a blessed New Year, and offer thanks for

the investment you've made in our work to bring the message of Christ to the world!

Just one year ago, the Province introduced *Pillars* in an effort to communicate the work of Holy Cross, our ministries and our vision with you, our friends and benefactors. *Pillars* also provided us the venue to express the integral role our benefactors play in moving our mission forward – in proclaiming the Kingdom of God.

In our effort to be good stewards of the gifts you share with us, this issue of *Pillars* will focus on the support we have received this past year and where these gifts have served Holy Cross. It is important that the community of Holy Cross provide an accounting to you, faithful Christian stewards, as to how your gifts are used in God's service. Through our commitment to you, we hope to affirm your importance as a steward of God's gifts while affirming, and acknowledging your spirit of stewardship.

As we enter a new year, we look back on what we have accomplished, what

goals we have established, and what opportunities lay ahead. We look forward with hope and a renewed vision toward our goals and what must be done to reach them.

Fr. Tony Szakaly, C.S.C., in his reflection, *Philanthropy Moves Our Mission Forward*, discusses the history of the laity's partnership with Holy Cross and the challenges facing the Indiana Province in the 21st century. You'll also read about how philanthropy will advance our mission into the immediate future.

While pie charts and figures may provide a two dimensional picture of where our gifts come from and where they go, they do not do justice in fully representing the generosity of those who give, the sacrifices made, and the stories of our benefactors. Likewise, a shaded piece of a pie chart does not illustrate the comfort on the faces of the elderly priests and brothers who receive care at Holy Cross House, the hope a poor or homeless person feels when finding a safe place to stay, or the excitement in a young seminarian whose mind and soul are growing with each new experience.

We must not lose sight of relationships that make our work possible. Words cannot convey the gratitude we feel toward those who support us through gifts and prayers. I pray that our work, our actions are witness of our thankfulness. Because you believe in us, in our work and our mission to help reveal the Kingdom of God to all, we continue to move forward in faith.

God's blessings!

(Rev.) David T. Tyson, C.S.C.

Philanthropy Moves Our Mission Forward

■ Rev. Anthony V. Szakaly, C.S.C., Assistant Provincial

Notre-Dame de Sainte-Croix
Fr. Moreau built this church between 1842 and 1856. It was consecrated the very year of the pontifical approval of the constitutions of Holy Cross in 1857.

In 1837, our founder, the Venerable Basil Anthony Moreau, C.S.C., established the union of priests and brothers who were to become the first members of the Congregation of Holy Cross. Just a few years later, in 1841, Fr. Moreau founded a group of women religious who would also become members of the Holy Cross family.

Fr. Moreau's passion was in preaching, Christian education, and in foreign missions, which is no less true of Holy Cross men and women today. Undoubtedly, as he organized this band of religious in Le Mans, France and sent mission teams throughout the world, he relied heavily on family, friends, and good-natured Christians to advance his vision. These individuals likely assisted with travel and material goods for the missionaries, became a source of support for them, inspired them and propelled Moreau's mission. And they provided the financial resources to grow this sapling union into a vibrant, blossoming religious community.

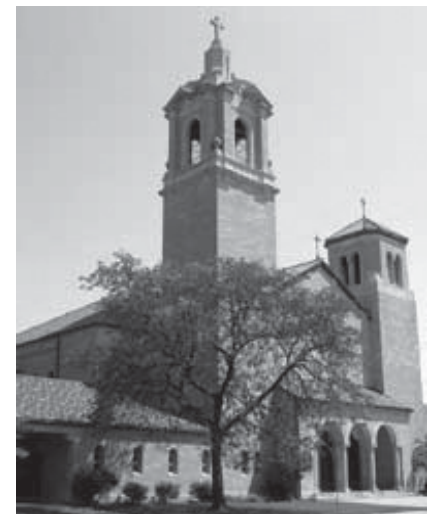

The Holy Cross community of today continues to demonstrate Fr. Moreau's passion and continues to rely on the charity of others to maintain our existing ministries. We also count on our friends and partners to provide the resources to advance into new, innovative, and meaningful ministries to meet the needs of Christians and non-Christians alike throughout the world.

The costs associated with operating the Indiana Province with over 300 members worldwide are significant, particularly in light of our limited sources of income. Holy Cross operates on assessment payments our religious receive from working at the University of Notre Dame and the University of Portland, from our high school, from the parishes we sponsor, and special assignments in which our religious are placed.

Our retired religious receive social security retirement benefits, but few receive any other retirement or pension plans from their life-long ministries.

The reality is these sources do not sufficiently cover our operating expenses so we must, like Fr. Moreau, look to those who share our passion in Christ to help us meet the needs of this world through their gifts.

Your dedication is vital to our ministry, as was the dedication of Fr. Moreau's friends, and it will continue to be vital as we look ahead, with hope, toward the future of Holy Cross and with our role as ambassadors of God's love.

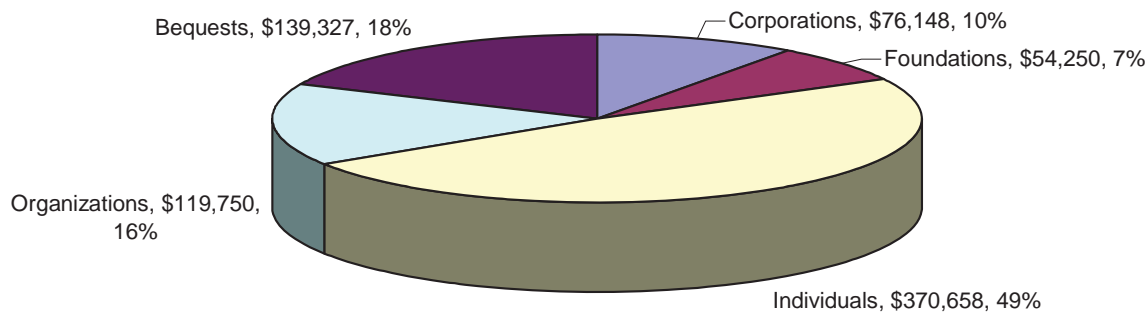

Holy Cross Parish and School
Established in 1929 by the Congregation of Holy Cross, Holy Cross Parish and School continues to thrive under the leadership of Holy Cross and the vision of its founder, the Venerable Basil Anthony Moreau, C.S.C.

A Year in Review: A Financial Picture - Charitable Gifts & Where they serve

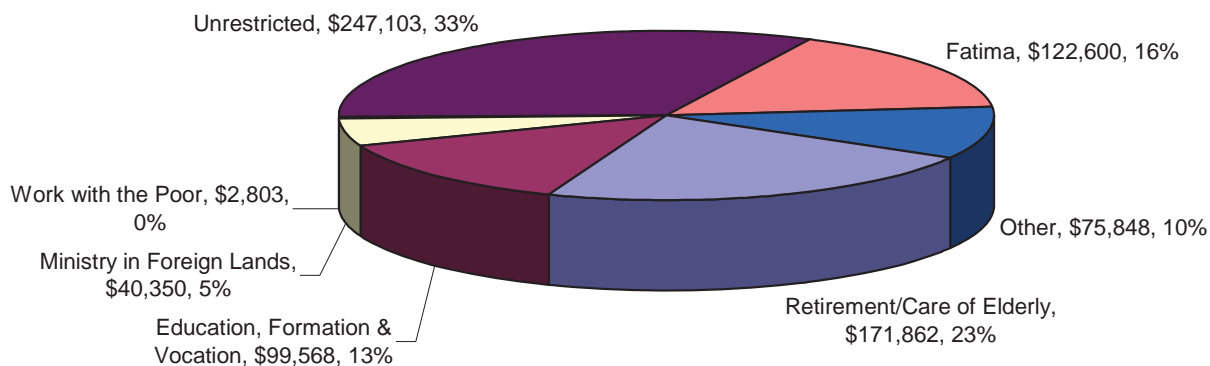

The following chart shows charitable gifts received by the Indiana Province, Office of Development, in calendar year 2005. Charitable gifts play a major role in the ability of Holy Cross to sustain and grow its ministries particularly as other sources of income vary year-to-year.

In 2005, the Province was blessed to have received gifts totalling \$760,133. Traditionally charitable gifts comprise between 15% - 20% of the Province's operating revenue, further emphasizing the importance of donor support in the mission of Holy Cross. These figures do not include gifts received through Holy Cross Mission Center or Holy Cross Association.

Tomorrow's Promise

Time, place and circumstances differ, but the mission of the Congregation of Holy Cross remains urgently the same: to proclaim the Kingdom of God.

The Congregation of Holy Cross is comprised of men with hope to bring, men trusting that the One who began the good work in them will bring it to completion.

Our planning entails a careful assessment of our *present* while being mindful of our *history* and looking *forward* in faith to the needs of God's children as they may evolve in the future. We recognize the existence of Holy Cross is directly related to the needs of this world, for if each life accepted Christ and lived as Christ calls us to live, our ministry and community would be drastically different. Until God's Kingdom is realized, there are millions of brothers and sisters who will need what Holy Cross can offer – hope, peace, salvation, love - the living message of Christ.

In service to the world, our future efforts must concentrate on:

- *Formation* – drawing new vocations to the Church and to Holy Cross and providing for the best education and training available.
- *Education* – being witnesses of Christ through our roles in secondary and higher education.
- *Parishes* – building local faith communities through our unique charisms of evangelization, education and community.
- *Care for the Poor* – a preferential commitment we make to the poor and oppressed, exemplified in all our ministries.
- *Foreign Missions* – proactively bringing Christ's message to nations where the need for hope, peace, salvation and love is most prevalent.
- *Care for our Elder Brothers* – insuring those who have committed their life to Christ and have invested their adult lives in that service receive the best, most compassionate, care possible.

We are determined ambassadors of Christ's message. We commit ourselves, every day, to the mission of Holy Cross and to the Church so that we can proactively serve others. It is why we exist.

Our commitment to the future is not one we make alone, for the community of Holy Cross, the Church and all its faithful, share in fellowship with our mission. Thus, as Holy Cross looks forward, we do so inspired by the prayers and support so graciously given by friends, family, benefactors. And, throughout this journey, we continue to invite those who profess a life in Christ to share, as good stewards, their time, talents and treasure with us so that together the Kingdom of God may come to fruition.

Sharing the Promise: Our Partners in Building the Kingdom

The Congregation of Holy Cross, Indiana Province, gratefully acknowledges the generosity of our benefactors and the impact their support has on our entire family. From supporting Holy Cross schools and parishes, to sustaining the Formation of Holy Cross priests and brothers and caring for our elder members, to helping us expand our ministries throughout the United States and worldwide ... your friendship has enriched our endeavors, and will continue to sustain us as we move forward in our mission and continue to change lives. On behalf of the family of Holy Cross and the thousands of people to whom we minister, thank you!

We have made every effort to insure the following lists are accurate and presented according to the wishes of our donors. Should we have erred in the presentation, we do apologize, and appreciate knowing of our error. Please contact the Office of Development at 574/631-6731 or by email at indcscdv@nd.edu.

HONORING THE LEGACY OF THE VENERABLE BASIL ANTHONY MOREAU, C.S.C., FOUNDER OF THE CONGREGATION OF HOLY CROSS, AND THOSE WHOSE PHILANTHROPIC INTEREST SUPPORTS HIS ONGOING VISION

Views! We Welcome Your Thoughts.

Beatification Update

The cause for the beatification of Venerable Basil Anthony Moreau, C.S.C, founder of the Congregation of Holy Cross, will be presented to Pope Benedict XVI this year.

The cause began in 1946 with Fr. Moreau receiving the title "servant of God" from the Vatican.

In 2003 Pope John Paul II declared Fr. Moreau "Venerable" in recognition of his heroic life of virtue.

This is an exciting time for the Congregation of Holy Cross, and we will share news as it becomes available to us!
